

TC-BO-02 | BackOffice — Loan Workflow

(Application to Disbursement)

Module: Admin Portal — Loans
Version: 1.0
Date: 2026-02-21
Prepared By: QA Team
Sign-Off Required From: Product Owner, Credit Committee Rep, Tech Lead

Scope

Covers the full loan lifecycle in the backoffice: eligibility check, loan officer review, committee approval, guarantor management, and disbursement.

Test Cases

TC-BO-02-001 | View Loan Applications Queue

Field	Detail
Priority	P0 — Critical
Precondition	Loan applications exist in DB
Steps	1. Navigate to Loans section
Expected Result	All loans listed with: loan number, member name, amount, product, status, application date
Pass Criteria	Filterable by status. Sortable by date/amount.
Status	☐ Pass ☐ Fail ☐ Blocked

Notes

TC-BO-02-002 | Filter Loans by Status

Field	Detail
Priority	P1 — High
Steps	1. Filter by each status: eligibility_check, guarantor_staking, technical_appraisal, committee_approval, disbursement, completed
Expected Result	Only loans in selected workflow stage displayed
Pass Criteria	Counts match DB per stage.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-003 | Loan Officer — Eligibility Review

Field	Detail
Priority	P0 — Critical
Precondition	Loan in eligibility_check stage. Logged in as loan_officer.
Steps	1. Open loan 2. Review member eligibility (salary, existing loans, deduction percentage) 3. Add notes 4. Click "Pass Eligibility"
Expected Result	Workflow stage advances to guarantor_staking. Loan officer notes saved. Review date stamped.
Pass Criteria	Stage change reflected immediately. Audit log entry created.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-004 | Loan Officer — Fail Eligibility

Field	Detail
Priority	P1 — High
Precondition	Loan in eligibility_check stage
Steps	1. Add failure reason 2. Click "Fail Eligibility"
Expected Result	Loan status = rejected. Rejection reason stored. Member notified.
Pass Criteria	Loan removed from active queue. Member can see rejection reason.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-005 | Guarantor Management

Field	Detail
Priority	P1 — High
Precondition	Loan in guarantor_staking stage
Steps	1. View guarantors section 2. Verify guarantors have accepted 3. Advance to technical appraisal
Expected Result	All required guarantors shown with statuses. Advance only allowed if minimum guarantors accepted.
Pass Criteria	Cannot advance without required guarantor acceptance count.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-006 | Committee Approval — Vote to Approve

Field	Detail
Priority	P0 — Critical
Precondition	Loan in committee_approval stage. Logged in as credit_committee member.
Steps	1. Open loan for review 2. Cast "Approve" vote 3. Multiple committee members vote
Expected Result	Vote recorded. When quorum reached with positive majority, loan advances to disbursement. Committee approval date stamped.
Pass Criteria	Vote counts shown. Stage advances when quorum met.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-007 | Committee Approval — Vote to Reject

Field	Detail
Priority	P1 — High
Precondition	Loan in committee_approval stage
Steps	1. Committee votes to reject 2. Rejection reason added
Expected Result	Loan status = rejected. Member notified of rejection.
Pass Criteria	Vote tallied correctly. Rejection reason visible to member.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-008 | Loan Disbursement

Field	Detail
Priority	P0 — Critical
Precondition	Loan in disbursement stage. Member has primary bank account.
Steps	1. Review disbursement summary 2. Enter disbursement date 3. Confirm disbursement
Expected Result	Loan status = disbursed → active. Disbursement date stamped. Transaction record created. Journal entries created (debit: Loan Book, credit: Cash).
Pass Criteria	Member account shows new active loan. Transaction visible in ledger.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-009 | Loan Detail — Full Repayment History

Field	Detail
Priority	P1 — High
Precondition	Active loan with repayment history
Steps	1. Open any active loan 2. View repayment schedule tab
Expected Result	Each payment shown: date, amount paid, principal, interest, balance remaining
Pass Criteria	Amounts accurate. Paid installments marked. Outstanding balance correct.
Status	☐ Pass ☐ Fail ☐ Blocked
Notes	

TC-BO-02-010 | Mark Loan as Defaulted

Field	Detail
Priority	P1 — High
Precondition	Loan overdue by defined threshold
Steps	1. Open overdue loan 2. Click "Mark as Defaulted" 3. Add reason
Expected Result	Loan status = defaulted. Default date recorded. Member flagged.
Pass Criteria	Defaulted status cannot be reversed without admin escalation.
Status	☐ Pass ☐ Fail ☐ Blocked
